

## Marketing Messaging for Ally: The Auto-Injury Advocate

### Overview

Ally is a free, no-obligation AI advocate designed to help auto injury victims in Texas. She's not a lawyer or a doctor, but a trusted guide who helps people find the resources they need—without any cost or pressure.

#### 1. Transparent and No-Pressure Support

Ally isn't providing legal or medical advice. Instead, she's a compassionate advocate who stands apart from loud commercial attorneys. She offers calm, straightforward guidance with no strings attached.

#### 2. Cutting Through the Noise

Ally provides a peaceful alternative to overwhelming ads from commercial law firms. She doesn't chase anyone down—she's simply available when needed, offering a quieter, more respectful form of help.

#### 3. Finding the Right Medical Care

Ally connects injured individuals with vetted medical providers who suit their needs. She's impartial and focused solely on matching people with the right care based on their injury and location. No cost, no obligation—just honest help.

#### 4. Guiding You to the Right Legal Representation

Ally guides users toward legal help that fits their preferences. Whether someone wants to settle quickly or pursue a longer claim, Ally helps them find an attorney who aligns with their needs—no favoritism or hidden fees.
